This is the largest and most exciting art exhibition of contemporary art in Egypt where over 140 artists are participating with more than 1500 artworks. carefully-selected pieces of new art just for CAF will be adorning the walls of TAM.Gallery this year, and as always, catering to everyone's tastes with an incredible range of prices, styles, techniques and concepts.

2020 came with a lot of challenges and changes to the Egyptian art scene, and it only allowed us to prosper even more! Many new artists will be taking this CAF edition by storm and our roster of artists are coming in with spectacular new collections created just for Cairo Art Fair! Both prominent and emerging artists will be showcasing their work in a synergised setting; breaking the boundaries of format, participation, duration and presentation.

Showcasing well-established artists alongside upcoming stars has always been one of the gallery's unique strategies to present an honest reflection of today's Egyptian art scene.
