

**The Cascades Spa & Thalasso Announced as Regional Luxury Thalassotherapy Spa of the Year
2020**

Cairo, 2 November – The World Luxury Spa Awards is a global initiative that recognizes and rewards excellence in the spa and wellness sector. The awards recently announced the winners of their 2020 program.

The Cascades Spa & Thalasso Somabay emerged as one of the big winners by taking the regional title for 'Luxury Thalassotherapy Spa' in the Middle East and North Africa.

The Cascades Spa & Thalasso Somabay is recognized as the best in Egypt and one of the largest in the world. The Spa's 65 treatment rooms and facilities extend over 7,500 square meters offering a range of first-class treatments and services with a further 750 m² Thalasso-Tonic Hydrotherapy Pool containing 830 m³ of sea-water.

The World Luxury Spa Awards 2020 program received a record number of votes cast by the public. This shows that the appetite for spa and wellness tourism has never been as keen and bodes well for the industry's future as global recovery begins.

Launched in 2010, the World Luxury Spa Awards aims to drive up standards in spa and wellness tourism and foster growth by rewarding the leading organizations in their respective fields.
