

PRESS RELEASE

Austrian Delegation in the Water Sector in Cairo | 3-5 October 2022

Cairo, 28 September 2022

An Austrian Delegation of **8 companies from the Water Sector** headed by H.E. Dr. Georg Stillfried, Austrian Ambassador to Egypt, and H.E. Carmen Goby, Vice President of the Austrian Chamber of Commerce, will visit Cairo from **3-5 of October 2022** to showcase how they can support the development of the **Egyptian water and wastewater sector**. The delegation consists of 8 companies:

- E. Hawle Armaturenwerke GmbH | www.hawle.com
- GLS TANKS International GmbH | www.glstanks.com
- Gugler Water Turbines GmbH | www.gugler.com
- KWI International Environmental Treatment GmbH | www.kwi-intl.com
- Schiebel Antriebstechnik Gesellschaft m.b.H. | www.schiebel-actuators.com
- SFC Umwelttechnik GmbH | www.sfcu.at
- UNIHA Wasser Technologie GmbH | www.uniha.info
- VA TECH WABAG GmbH | www.wabag.com

The companies are **experts** in their **respective fields** and their activities include system solutions for **water** and **wastewater treatment plants** as well as for **sea water desalination plants**. Further companies supply **heavy-duty fittings**, modern **hydropower water turbines** or rotary, swivel and linear **actuators** for the water sector.

All respective company descriptions can be found on our webpage: **Austrian Trade Mission in the Water Sector (advantageaustria.org)**

During this **three-day delegation**, the participants will meet a selection of the most important representatives from **Ministries, Authorities** and **Companies** in the Egyptian water and wastewater sector. High-level group meetings will be organized, where Austrian companies will be able to showcase their expertise and discuss joint collaborations.

Austrian companies in the water and wastewater sectors are well known for the **quality products** and services as well as for their flexibility in securing business success for all parties involved. They are **world-leaders** in some areas of their expertise, and they are committed to help Egypt fight against **water scarcity**. The companies involved have already successfully implemented **various projects in Egypt**. This Austrian delegation will hopefully lead to many more successful joint projects between Egypt and Austria and help to lead to more water security in Egypt.
