Cairo, 20 March 2023. Press Release by Zaki Hashem & Partners, Attorneys at Law

Zaki Hashem & Partners advises V.Group & Antipollution in its joint venture with Suez Shipyard Company and Canal Company for Ropes and Natural and Industrial Fiber Products

We are pleased to announce that we acted as Egyptian legal advisor to V.Group and Antipollution in respect of its joint venture with Suez Shipyard Company and Canal Company for Ropes and Natural and Industrial Fiber Products, wholly owned subsidiaries of Suez Canal Authority, as well as the Egyptian Greek Businessman Mr. Eric Adam. The joint venture will lead to the establishment of “Antipollution Egypt”, an Egyptian joint stock company that shall provide integrated solid and liquid waste management services as part of the logistical services offered to ships passing through Suez Canal.

This landmark deal was led by our Partners Heba EL Naggar and Hossam Hafez assisted by Senior Associates, Mostafa El Bastawissy and Nour Ossama.

Antipollution is a leading company in the provision of port reception facilities and one of the largest waste management companies in Greece and the Mediterranean. Antipollution is a member of V.Group which is a robust group of companies with strong presence and continuous growth in waste management, renewable energy sources and financial investments.
