**Noting that:**

- Transaction limit for purchases in foreign currency is the full credit limit, subject to the above limits for each card.
- If you have more than one NBE credit card, the maximum monthly limit of total usage in foreign currency for all your credit cards is the maximum monthly limit of the highest credit card.
- The spending limits in foreign currency are subject to the credit limit or the above limits whichever is less.
- NBE cards were limited at some merchants under specific categories for example (loading e-wallets in foreign currency and jewelries ) and that to continuing to allow the use of cards in foreign currency for cash and retail transactions as per the above limits.
- Foreign currency usage fee for all cards (MARKUP) 10%
- All transactions performed utilizing the dynamic currency conversion (DCC) feature must adhere to the foreign-currency usage restrictions imposed on cards. Consequently, markup fees will be applied to all such transactions.
