The Egyptian Exchange  
Disclosure Section

In reference to the interview with Mr. Said Zater, Contact's group CEO, published on February 4, 2024, and as part of the group's expansion plan, the Company is currently considering establishing a presence to offer our services in the United Arab Emirates. This is with the aim of serving the Egyptian community residing there.

On the other hand, and in line with the country's digital transformation strategy, we consistently strive to implement the latest developments in regulations and legislation in this regard. This includes digital identity and digital contracts, contingent upon the issuance of regulatory guidelines.

Further disclosure will be made in accordance with the evolving situation should there be any significant events.
