¹ Specific conditions required by the Pool Manager:

Any other manufacturer wishing to join the open pool must submit their full application by no later than February 5, 2025. Before the above deadline, applicants are requested to sign a non-disclosure agreement and provide the Pool Manager with (inter alia) sufficient data concerning their CO₂ emissions (to allow assessing whether there is a risk for the pool not to meet its targets) and their ability to cover any potential excess emissions premium. An 'Application Fee' will be due to cover the expenses of analyzing the data and processing the application.

---	------------------	--	------	------------------------	--

² Specific conditions required by the Pool Manager:
Manufacturers wishing to join the pool must submit their full application by 7 February 2025¹. Before the deadline, applicants are requested to

(1) sign a non-disclosure agreement;

(2) provide the Pool Manager with (inter alia) sufficient data concerning:

- (i) their CO₂ emissions (to allow assessing whether there is a risk for the pool not to meet its targets) and
- (ii) their ability to cover any potential excess emissions premium.

The provided information has to be in accordance with anti-trust regulations. An application fee will be due to cover the expenses of analyzing the data and processing the application.
