

Alta Semper Capital welcomes Kareem Ghaly as Head of MENA

London, UK, 13 January 2024 – Alta Semper Capital (Alta Semper) announces the appointment of Kareem Ghaly as Head of MENA based out of Alta Semper's regional hub in Cairo.

Kareem brings over 14 years of extensive investment and advisory expertise, having successfully executed transactions exceeding USD 7bn across Egypt and the wider MENA region.

Kareem is joining Alta Semper from British International Investment (BII), the UK's development finance arm, where he led the organization's on-ground presence in Egypt, driving activity across multiple sectors and asset classes. His career spans more than a decade in Investment Banking with prominent institutions, including Renaissance Capital and EFG-Hermes, where he advised on high-profile deals across M&A, Equity Capital Markets, and Debt Capital Markets in Egypt and the region.

"We are thrilled to have Kareem step into this important leadership role. He was selected for this role based on his background, track record of driving excellence, and his long-standing relationship with Alta Semper starting with his work on the successful IPO of our former Egyptian portfolio company, Macro Holdings," said Afsane Jetha, Alta Semper's Managing Partner.

Alta Semper remains dedicated to delivering impactful investments across the firm's focus markets. Kareem's extensive regional expertise and leadership will be instrumental in advancing Alta Semper's MENA mandate and deepening the firm's presence in this critical growth market.

Kareem will start in his new role at the end of February.

About Alta Semper

Alta Semper is a healthcare and consumer-focused private equity manager, active across Africa since its founding in 2015 by Afsane Jetha, former Time Warner CEO Richard Parsons, and members of the Estée Lauder family. Alta Semper's strategy is to invest strategic and adaptable capital into high-conviction, control-oriented sector plays. The goal is not only to achieve strong financial returns but also to advance health equity within its target markets. To date the firm has invested c. USD 200mn across its strategies.
