# Contracting Sector

## Overview Report

January 2025

# Introduction

In line with the efforts of the Saudi Contractors Authority (SCA) to support the contracting sector and empower contractors with investment opportunities, the authority has issued a report titled "Contracting Sector Overview in the Kingdom of Saudi Arabia for January 2025." This report aims to provide information related to the contracting sector to contractors and interested parties, assisting them in their business planning and decision-making process.

The report includes key figures and information regarding the projects available in January. It analyzes the projects added to the SCAVO platform, with the aim of providing necessary information for various activities within the contracting sector.

## Disclaimer
