

Ambit Global Private Client expands footprint into Dubai’s prestigious DIFC

Brings award-winning, institutional-quality research to the Middle East, along with a robust advisory team

April 9, 2025 (Mumbai/Dubai): Ambit has announced the opening of its Ambit Global Private Client (Ambit GPC) office in the prestigious Dubai International Financial Centre (DIFC). Ambit Private Limited is the 100% holding company of Ambit GPC. Ambit GPC is a leading provider of bespoke financial solutions for ultra-high-net-worth individuals (UHNW) and Family Offices. With over USD 9 bn of overall Assets Under Management & Advice (AUM&A) and 1,000+ UHNW clients across the wealthiest families in India. Ambit GPC’s award-winning, institutional-quality research & discretionary PMS strategies, innovative Direct Deal vertical and holistic wealth management services, have become some of the most well-respected properties in the wealth management space.

The new entity, Ambit Global Private Client (MENA) Limited, is the result of a strategic acquisition by Ambit, of Moonrock Investments Ltd., a Dubai Financial Services Authority (DFSA) regulated & DIFC-registered wealth management firm, which took place in November 2024. Amrita Farmahan, CEO, Ambit Global Private Client highlighted, “We are excited to expand our presence to DIFC, a global financial hub that aligns with our vision of empowering clients to think and act globally. We recognize the growing demand from resident Indians to invest offshore, and equally the strong interest from the Indian diaspora and international investors to access the Indian markets. At Ambit GPC, our integrated wealth management platform seamlessly bridges Indian and Internationals markets, providing clients with our unique perspectives. With a strong leadership team in DIFC we look forward to fostering deep, lasting relationships and offering bespoke wealth management solutions”.
