## SODIC Debuts Cavalariça North Coast at June: The Michelin-Recognised Restaurant's First International Outpost

*Cavalariça brings its soulful dining and Michelin-recognized hospitality concept to the region for the first time with a new home at June by SODIC.*

**Cairo, Egypt [23 July, 2025]** — A new chapter in Mediterranean coastal living is set to unfold as **SODIC**, Egypt's leading real estate developer, partners with **Cavalariça** — Portugal's acclaimed hospitality and dining concept — to launch **Cavalariça North Coast**, the brand's first international outpost. Now open at **June by SODIC**, the new destination brings Cavalariça's distinctive blend of soulful cuisine, design-led spaces, and immersive storytelling to the region's coast for the first time.

Founded in the Portuguese village of Comporta, Cavalariça has garnered international acclaim, **Michelin-Guide recognition** and a star from **Guia Repsol of Spain**, for its unique approach to dining; where narrative, creativity, and a deep reverence for place come together in harmony. With Cavalariça North Coast, this philosophy evolves into a beachside experience rooted in connection, atmosphere, and cultural expression — bringing the brand's signature warmth, vibrancy, and artistic spirit to a sun-drenched escape on Egypt's North Coast.

Set against the seaside backdrop of **June**, Cavalariça North Coast is more than a restaurant — it's a lifestyle destination. From **sea-view dining** and a **breezy bar scene** to **canopy-shaded lounges**, a curated **fashion boutique**, and sunset **DJ sets**, every element pays tribute to elevated coastal living. With a focus on **seasonal ingredients**, **independent producers**, and **local creative talent**, Cavalariça North Coast channels the laidback spirit of summer through a refined and authentic lens.

**Bruno Caseiro, Chef and Co-Founder of Cavalariça, also expressed his excitement stating:** “*At the heart of our philosophy, food is more than nourishment – it's a connection to humanity and the communities that shape every ingredient and story we share. With Cavalariça North Coast, we're taking that narrative into a new chapter, bringing it to life through a vibrant, sunlit lens on the shores of Egypt at June, a place that beautifully mirrors our spirit of warmth, authenticity, and effortless joy.*”

June, SODIC's Miami inspired beachfront destination in the North Coast, offers a natural canvas for Cavalariça's next chapter. The collaboration reflects a shared commitment to thoughtful design, cultural curation, and soulful experiences, introducing the brand to a new audience while honoring its roots.

As SODIC expands its footprint in hospitality and lifestyle, Cavalariça North Coast joins a growing portfolio of world-class experiences, including the launch of **Dubai's iconic Surf Club** as well as **Nobu Hotels, Restaurants, and Residences**, reinforcing SODIC's role in shaping the future of upscale living in Egypt.
