

Summit Shipping Line Launches Turkey Libya Express (TLX) Service

Alexandria, Egypt – [29th July] – Summit Shipping Line, in partnership with Milaha, is proud to announce the launch of its latest regional offering: the **Turkey Libya Express (TLX)** service. This dedicated weekly feeder is crafted for **main line operators and NVOCC carriers** seeking a stable and responsive connection to the fast-growing Libyan market.

With Libya's demand for reliable shipping solutions on the rise, the TLX service is designed to bridge key East Mediterranean hubs with Libya through a dependable and flexible rotation. The service underscores Summit's ongoing commitment to building tailored regional networks that empower its partners and address underserved corridors.

Service Highlights:

- **Service Operators:** Summit Shipping Line / Milaha
- **Service Name:** Turkey Libya Express (TLX)
- **Maiden Vessel:** MV Al Bidda
- **Rotation:** Alexandria Old Port (ACCHCO) – Misurata – Ambarli – Izmit – Izmir
- **Frequency:** Weekly
- **Service Commencement:** 22 August 2025

The TLX service offers an efficient solution for SOC carriers seeking to maintain control of their equipment while ensuring consistent port calls and professional handling.

SeaGlory Shipping Agency Egypt – a Finmar Group–Sharaf Group joint venture, serves as Summit Shipping Line's general agent in Egypt.
