Operational Update – Khor Mor Field

Sharjah, UAE; 04 March 2026: Dana Gas (PJSC) informs the market that on 28 February it has temporarily suspended production operations at the Khor Mor field. This was done in coordination with the Kurdistan Regional Government's Ministries of Natural Resources and Electricity as a precautionary measure due to the ongoing regional security situation. The plant is being purged and kept in an operational condition to ensure that it can be brought back online in an optimum manner as and when appropriate.

The Company continues to coordinate closely with local authorities. Further updates will be provided to the market in due course.
