Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Orient Insurance PJSC (the “Company”) and its subsidiaries (together referred to as the “Group”) as at 31 March 2026 which comprise the interim condensed consolidated statement of financial position as at 31 March 2026 and the related interim condensed consolidated statement of profit or loss, a comprehensive income, changes in equity and cash flows for the three month period then ended and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard IAS 34 Interim Financial Reporting (“IAS 34”). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects in accordance with IAS 34, “Interim Financial Reporting”.

Further, results for interim periods are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2026.

3 NEW STANDARDS, INTERPRETATIONS AND AMENDMENTS ADOPTED BY THE GROUP

4 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS IN APPLYING ACCOUNTING POLICIES

Judgements and estimates

The preparation of these interim condensed financial statements requires management to make judgements, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets and liabilities, income, and expense. Actual results may differ from these estimates.

In preparing these interim condensed consolidated financial statements, the significant judgements made by management in applying the accounting policies and the key sources of estimation uncertainty were the same as those that were applied in the Group's annual audited financial statements as at and for the year ended 31 December 2025 except estimates applied for calculation of tax liabilities arising from Pillar Two income taxes.

Taxes

Uncertainties may exist with respect to the interpretation of tax regulations, changes in tax laws, and the amount and timing of future taxable income. Differences arising between the actual results and the assumptions made, or future changes to such assumptions, could necessitate future adjustments to tax income and expense already recorded. The Group establishes provisions, based on reasonable estimates, for possible consequences of audits by the tax authorities in which it operates. The amount of such provisions is based on various factors, such as experience of tax audits and differing interpretations of tax regulations by the taxable entity and the responsible tax authority. Such differences of interpretation may arise on variety of issues depending on the conditions prevailing at a point in time.
